NP65
NOTEBOOK POWER ADAPTER

ACCESSORIES

One Adapter For All Your Needs.

Designed to work with virtually any laptop on the market, Antec's NP65 notebook power adapter is compatible with the latest models from brands like Dell, Toshiba, Acer, HP, Sony and more. Delivering 65 watts of Continuous Power and an output of 19 volts, the NP65 power adapter also protects your laptop against the dangers of over voltages, short circuits, over temperature faults and over currents. With seven detachable connectors and a slim, lightweight design, the NP65 lets you charge and power your laptop conveniently at home or the office.
